#12500 (1 Blue & 1 Gold)

Helium inflate balloons and attach curling ribbon.

#96538

Air inflate. Roll the tail tightly around the middle of an uninflated 260. Tie the 260 in a knot to secure it to the balloon.

#12500 (2 Blue & 2 Gold)

Air inflate two blue 11" latex balloons and tie them together to form a duplet. Repeat to create a second duplet in gold. Twist the two duplets together to create a four-balloon cluster.

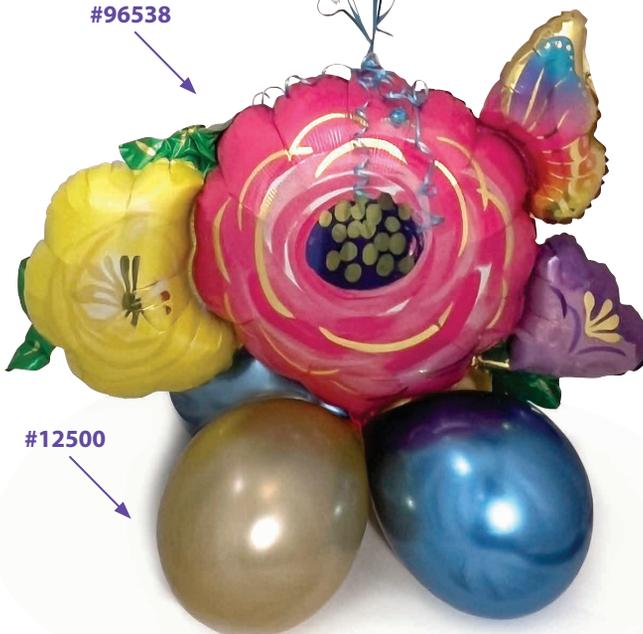

Place the air-filled balloon on top, wrap the uninflated 260 around the cluster and tie the ends to secure the balloon to the cluster.

Finishing

Reinforce the tab on top of #96538 with clear tape. Use a hole punch to reopen the hole in the tab. Slip the curling ribbon of each helium filled balloon through the tab. Adjust each balloon to the desired height & tie them in place.
