## #90784

Helium inflate the balloon. Tie an uninflated 260 Twistee to the tail.

## #5233

Air inflate two latex balloons to 5" and tie together to form a duplet. Repeat to create a second duplet. Twist the two duplets together to create a four-balloon cluster. Create a second cluster. Slip clusters between each letter in the foil balloon.

## #5254

Repeat the steps above using the 5" citrine yellow latex. Slip cluster under the "O" in the foil balloon.

## #11254 / #11233

Using the steps above air inflate a four-balloon cluster to 7" using the citrine yellow latex. Create a second cluster inflated to 10" using the tropical teal latex. Tie the clusters together with an uninflated 260 Twistee. Use the 260 Twistee attached to the tail of the foil balloon to secure the latex base to the foil balloon.
