Fully air-inflate two HiGloss® pink latex balloons and tie them together to form a duplet.

Inflate a second duplet to the same size using two HiGloss® gold latex balloons. Twist the two duplets together to create a four balloon cluster.

**#95223 | #95223**  
Air-inflate the Graduation Pastel Diploma and the Yay! Gold Script foil balloons.

Roll the neck of the diploma foil balloon around the middle of an uninflated 260 like a scroll. Tie the 260 to secure it to the diploma.

Slip the ends of the 260 through the latex cluster, tie them to the bouquet weight and adjust the diploma to nest in the latex base.

Secure the Yay! Script foil shape to the top of the diploma using Balloon Bond.
