

LET'S USE AIR!

No Helium No Problem!

Promote sales using air-filled balloons.

Inflate balloons with air using a hand pump or electric air inflator for immediate in-store purchase.

**Mini Cool Aire®
Dual Pro Air Inflator**
#1988

**MicroAir™
Electric Inflator**
#1987

Electric Air Inflators

Display air-filled balloons in floral buckets and merchandise them next to floral displays and bakery tables.

Price air-filled balloons with the same retail as when they are inflated with helium.
